

Bridge loans. Fast.

YAM Capital is a privately held national lending firm specializing in bridge financing options that are fast, flexible and reliable.

Based in Scottsdale, Arizona, our professional team of lending experts structures creative options for a variety of short-term financing needs. Our loans offer solutions to a wide range of scenarios, some of which include:

- Acquisitions
- Pre-Stabilized / Lease-Up
- TI's / Build-Outs
- Partner Buy-Out
- Re-Traded Loan Terms
- Refinance / Pay-Downs
- Ground Lease Buy-Out
- Quick Close
- Properties with Cannabis Use
- Repositioning / Value-Add
- Redevelopment / Renovation
- Recapitalization
- Sponsor Credit Concerns
- Cancelled Bank / CMBS Commitments

Our process is designed to be simple and efficient. This includes an expedited approval process, ability to close quickly and most importantly, certainty of execution.

YAM Capital's bridge lending program offers competitive terms with a high degree of flexibility, which allows us to structure loans creatively and provides our borrowers with a broader offering of financing options. We lend on all property types including specialty assets. In addition, we are not confined geographically, as we have the ability to lend in all 50 states — primary, secondary and tertiary markets.

As a private lender, all of YAM Capital's loans are underwritten and processed internally. Post closing, all loans are serviced in-house, allowing immediate attention to any questions or requests. We value and develop productive relationships with our borrowers to provide innovative lending strategies that best suit our borrowers' needs.
